DID YOU KNOW?

If you are 70 ½ or older, you can do a **qualified charitable distribution (QCD)** of up to \$100,000 a year from your **IRA directly to a charity**. The distribution won't show up in your adjusted gross income and CAN count toward your required minimum distribution (RMD). The QCD allows you to be more strategic with your RMD. Consult your tax advisor before making any decisions. If a QCD is for you, please consider St. Mary's Parish as your charity of choice.

From the Pastor

Hello friends,

Forgive me for shamelessly copying a good bit of last weekend's bulletin article, but A) I'm getting it together before I head out two weeks ago (super not confusing), and B) it's very important. This whole process is designed to provide the Bishop and his team the clearest vision of the Diocese and his people possible, and your participation will go a long way in helping there. So without further ado, the copy and paste. Feel free to re-read or disregard if you caught last weekend's...

I'd like to invite you all to one of our upcoming Listening Sessions (a part of the pastoral/strategic planning work at the Diocese, formally titled "Rebuild my Church"). Fr. Derek Sakowski is heading up this whole process and moving us now into the next phase—a series of townhall style evenings or afternoons to share vision with the people of the Diocese and (most importantly in reality and in intention) to hear from the people of the Diocese what their needs, fears, strengths, and hopes are. When we started this whole process up a year or so ago, there was some desire amongst the priests to jump right ahead to "what's the plan?" It's a fair request, and I'm grateful to have witnessed my brother priests and yourselves allowing it to be tabled. While it takes a lot more work to make something truly consultative, I've been impressed by the slow-and-steady work of sparking and building momentum rather than skipping gears to the end.

Anyway, we're shooting for some 40 of these Listening Sessions over the Fall and getting it started early in the Richland Center Deanery. **Our first session will be right in Viroqua (I imagine Marian Hall) on September 7 at Noon.** This will give folks a chance to get kids home after Mass as needed, grab a quick bite, or come in from other parishes' Masses. We want and I want you to come if you're a time/resource/position-invested stakeholder in the parish, if you're a there-every-weekend parishioner, if you're sporadic- or travelling-often parishioner, if you're... That's to say I just want you there. The whole goal of this process is to understand where we are as a People, to have the best sense we can of where the Holy Spirit is moving and where He is leading His people, and to take into clear account how the Lord is inviting us as a Diocese to respond to present and future needs and opportunities with present and future resources. Scarcity, fear, the deeply-ingrained narrative of old grievances and wounds—these are all important to notice specifically so we can hand them to the Lord in freedom. The Holy Spirit is inviting us into a season of curiosity and opportunity here—let's walk into it together!

The short version: mark your calendar for September 7 at noon in Viroqua.

God bless you all, Fr. Joe
